Mark,

So you don't have the folder that I routed with the letter and oversight bill? If not, I will look for the electronic copy.

Shawn,

I was just speaking with Mike Cirian, and I don't think either of us has an electronic copy of the draft oversight bill or the supporting cost package. Can you email that to us so we can review, and get this off everyone's desk?

Thanks!

Mark

Hi Mark,

How are you doing, I hope all is well. I was hoping to get an update on the CFAC oversight bill. I believe I last left it with you and I don't think I have seen it come back. Anyway, let me know. Thanks Mark!!
